### PRICE LIST INFORMATION:

Each "style" has a catalog page number and shipping weight. "Freight Type" indicates whether the style qualifies to be shipped either **FedEx 3 Day** or **Common Carrier**. *We will determine the shipping carrier to assure a safe cost effective method.* The printed catalog page numbers beginning with "C" refer to **Carol Canner Collection** supplements starting with the supplement showing the #5505 *Grand Prince of Wales* on the front cover. Page number "X" indicates the style can only be seen on our website.

### ORDERING INFORMATION: TO THE TRADE ONLY

**A minimum order is \$2,500 retail. Orders under the minimum will include a Processing Charge of 10%.**

If you order 3 or more mirrors you may save both the processing charge and on the cost of shipping per mirror. All orders must be submitted on a business purchase order form with an order number. **Please either fax, mail, or email your order directly to the factory.** If both faxing and mailing make sure both copies are marked "do not duplicate." Please include your complete address, contact name, phone, fax number, email, and a **shipping address with a phone number**. Custom work, including colors and finishes **require payment in full in advance of production** for all customers. See the last page for standard colors. No estimated ship time will be given on custom finishing or sizing. We do accept all major credit cards but keep in mind that there is an additional 3% charge to use them. Prices are subject to change without notice.

### CREDIT TERMS:

Terms of Payment are NET 30 DAYS to qualified accounts only.

*To apply for open credit:*

- We require an opening order to be over our minimum of \$2,500 retail, consisting of at least 3 mirrors.

*Minimum requirements to establish open credit:*

- Either a Lyons rating of 1 or 2, or otherwise please send us five (5) trade references and one (1) bank reference including fax and account numbers.

**Until credit is established, prepayment must accompany all orders prior to production.**

### SHIPPING:

Terms of Shipment are **F.O.B. FACTORY**, WEST GROTON, MASSACHUSETTS. *We reserve the right to select the delivering carrier due to our rural location.* We will select carriers to assure that your order arrives safely and in the most cost effective way. An additional \$10.00 charge will be added to the shipping charges for all prepaid shipments. **All deliveries to a warehouse or delivery service will be sent prepaid unless noted otherwise on your order.** Requests for outside carriers may delay your shipment.

### RECEIVING MERCHANDISE:

*Do not sign a clean bill of lading before checking for damage or shortages.* You must **specify any damage or shortage on the bill of lading with the driver's signature** in order to file a claim. **Follow our unpacking instructions found on the label attached to the shipping carton.**

### CLAIMS:

**All claims for shipping damage and shortages must be directed against the delivering carrier.** In the case of damage you must notify the carrier and Carvers' Guild within **7 days**. Save the shipping container for at least 7 days. Failure to follow the unpacking instructions on the carton will automatically disqualify any claim filed. A Return authorization **MUST** be obtained from CARVERS' GUILD before merchandise will be accepted for credit or exchange. **All returns must be in the original carton. CARVERS' GUILD IS NOT RESPONSIBLE FOR SHIPPING DAMAGE;** however, we will do everything possible to help you expedite your claim.

**CARVERS GUILD ANTIQUE MERCURY GLASS** is manufactured in house. We offer a choice of three variations on plain glass. Please contact us for pricing for the addition of mercury glass.

**OLD MERCURY:** The mirrored surface is a little spoiled and pitted more heavily around the edges than in the center—a light subtle effect.

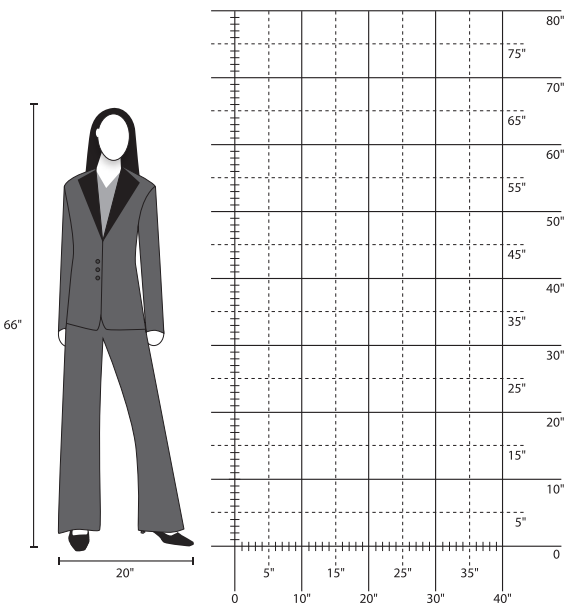

**ANTIQUE MERCURY:** The mirrored surface is spoiled, pitted and smoked—more decorative than "Old Mercury," but still functional.

**ANCIENT MERCURY:** The mirrored surface is spoiled, heavily pitted and darkly smoked to give a marbled effect—appropriate for small decorative pieces.

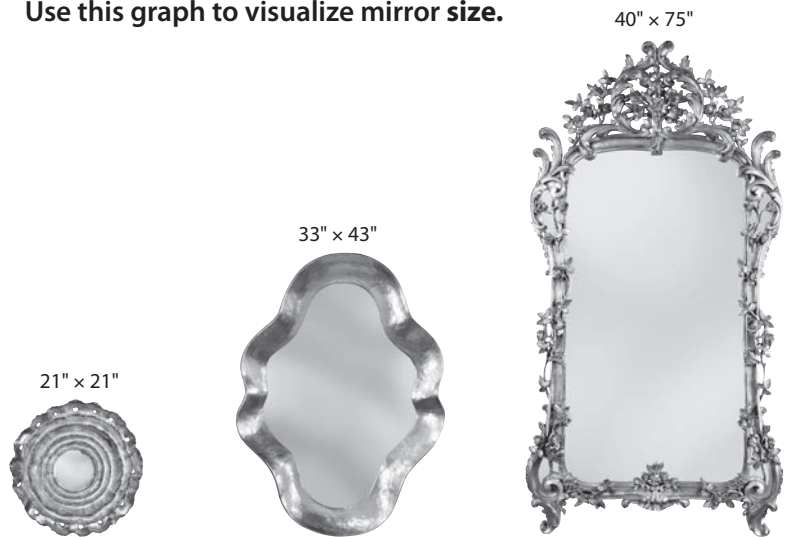

*A Note about Mercury:*

Mercury was used to plate the back of looking glasses until the early 1800s when mercury was replaced by silver to create the reflective surface.

We use silver as our plating material as it is an excellent imitation of the aged mercury glass but without the hazardous chemical.

Use this graph to visualize mirror size.
